The Powell Butte Retreat Center in Central Oregon Looking Toward the Future... "For the Greater Good of Souls"

St. Mary Church and
John Paul II Conference Center
at Powell Butte

The entire site at Powell Butte in Central Oregon, is one of great natural beauty and is already attractive as a quiet, out of the way place. Over the years new trails will be developed and various prayer shrines, grottoes and statues will be established. Like all of us, the work here is ongoing and "in process". Thus while we dedicated the St. Mary Church the weekend of September 5th and 6th,

2009, we knew that there was much more to come. We do hope that many people of the Diocese and visitors alike make regular use of the grounds and especially the Chapel and come to think of this place: a place apart, a desert place, as a kind of spiritual home where body, mind, heart, and spirit can find rest and peace. Although we still have a long way to go to pay for this beautiful and holy place we are already experiencing the graces that it can bring.

I would like to make a pledge to the Looking Toward the Future... "For the Greater Good of Souls" Campaign and receive a monthly reminder.

Please send me more information.
